Program Information

Geneva Day School's Enrichment Program allows children the opportunity to participate in a variety of fun and exciting classes. The Enrichment Program staff consists of Geneva Day School teachers and enrichment professionals who have dedicated themselves to the nurturing and education of young children.

Geneva Day School's enrichment classes are limited to children ages three through Kindergarten, who are already potty-trained.

Pick-up Information

If your child's enrichment class is held outside on the field or downstairs in one of the classrooms, you can pick up your child at the end of the class on the field, upstairs in the Church lobby, or in the School lobby. Outside carpool will not be available, however, carpool numbers must be presented to the enrichment teacher before your child can be released.

If your child's enrichment class is held upstairs in the Founders' Room, you can pick up your child at the end of the class upstairs at the church doors. The enrichment teacher will open the doors when class is finished and you may enter to help collect items for departure. For safety reasons, these doors are not left open. Parents may park outside the doors and wait for the class to conclude. Carpool will not be available, however, carpool numbers must be presented to the enrichment teacher before your child can be released.

General Information

Registration for enrichment classes will begin upon receipt of this brochure and should be sent to the School Office. Please make checks payable to "Geneva Day School." All classes are taught at Geneva Day School. You will be contacted by telephone if we are unable to place your child in a class. Geneva Day School reserves the right to cancel classes due to insufficient enrollment. No refunds will be issued after the start of the first class. If Geneva Day School is closed, no enrichment classes will be held. If Montgomery County Public Schools are closed due to weather, or schools close early, no enrichment classes will be held. We will make every effort to make up cancelled classes.

Financial Consideration

Financial assistance for enrichment classes may be available on a limited basis.
