Stop Letting Your Child's Behavior Make You Crazy

If you need your child to behave for you to be calm, then you give your child tremendous power. They now control your emotions, and you feel overwhelmed and powerless. You will be much more effective as a parent if you can stay calm no matter what. Here's how.

Defiant Child at Home?

James Lehman, MSW was a defiant child too. Let him show you how to turn your kid's attitude around and get back in control of your family.

Is your child's behavior driving you crazy? Are you struggling with a child who's disrespectful, defiant or obnoxious toward you? Do your kids fight constantly - even to the point of verbal or physical abuse?

You're not alone. Millions of parents are trying to cope with kids whose behavior is out of control. But you can get your kids to respect you and listen to you again—with ***The Total Transformation Program***[®].

The Instruction Manual for Defiant Kids

The Total Transformation is the instruction manual for dealing with children and teenagers who are mouthy, disrespectful or resistant to authority.

In this step-by-step program, James and Janet Lehman show you how to change your child's behavior and take back control of your family, with the exact techniques they use to get kids to behave appropriately.

"I know they work because they worked for me. I was a kid with horrible behavior problems. If these techniques can work for me, I believe they can work for anyone."

- James Lehman

The Total Transformation is a straight talk program that shows you exactly what to say and do to set the limits your child needs – with no screaming, arguing or frustration.

You'll learn:

- How to stop arguments with your kids instantly
- How to defuse temper tantrums
- How to get your child to stop making excuses and start taking responsibility
- ADD, ADHD, ODD, bipolar disorder & more—How to get a child with a diagnosis to behave

We've seen even the most defiant, obnoxious and verbally abusive kids change, time and time again. To achieve these results, you just need to learn the right tools and process for when abusive and defiant behavior kicks in and takes over.

No Screaming.

No Arguing.

Just Respect.

If you've tried screaming, punishing, pleading and negotiating and your child still walks all over you, let us show you an easier way to get him to behave. We guarantee you'll enjoy being a parent again.
